Damage to Equipment:

Normal use is expected, and covered under the damage waiver although damage waiver is not offered on certain equipment. Carelessness is the responsibility of the customer. Those businesses and individuals not wishing to pay the damage waiver need a certificate of insurance naming Great Lakes Rental LLC. as loss payee.

Equipment Breakdowns:

We strive to keep our equipment in top working order at all times however, problems can and will occur from time to time. If you ever have any problems or questions about the items that you rent, please call us right away. Many problems can be solved over the phone. We will do everything possible to help you in a timely and efficient manner.

Metered Items & Fuel Charges:

Rates for rental items equipped with hour meters are based on 8 hours per day, 40 hours per week, and 160 hours per month. Additional usage will be charged accordingly.

Fuel is generally included in the rental of equipment with small gas engines like tillers. Larger equipment equipped with hour meters such as skid loaders, excavators and generators are

expected to be returned full of the appropriate fuel and will result in a fuel charge if not returned full.
